St. Michael's

University of St. Michael's College

Vol. 30, No. 2, Fall 1992

President Alway reports to the Alumni

In the fall 1991 issue of *St. Michael's* I reported on the financial state of the College. I began with an expression of great personal gratitude to the donors to our Annual Fund and am happy to do so again this year. Once more the alumni and friends of St. Michael's have contributed over five hundred and ninety thousand dollars to support programmes and

activities that are essential to maintaining the tradition of excellence that is the hallmark of St. Michael's.

The College is enormously grateful to each of our over three thousand four hundred donors, and in its name I again

ask each alumna and alumnus to join with me in supporting this essential financial lifeline. As government funding is reduced and costs continue to rise, fortunately more modestly than heretofore, the Annual Fund has become one of the pillars of our institutional budget.

As to other financial matters, the Capital Campaign total pushes towards its goal as pledges continue to be fulfilled. A full report on the Capital Campaign, with appropriate donor lists and specifics about the state of the Campaign projects, will be published when the drive is completed next spring. I wish there were something new and final I could pass on to you about the sale of the Bay Street property. As you know, neighbourhood groups appealed the City's approval of

the project; we do not expect a ruling on that appeal until 1993.

This delay in the finalization of the sale has caused our Finance Committee to review carefully our position and to continue its bridge-financing plan. You well know that we are in

economically uncertain times; please know also that St. Michael's fully realizes this and has made hard budget decisions that have resulted in a reduction of seven hundred thousand dollars in our operating deficit, which

William Broadhurst invested as Honourary Fellow

At the beginning of the Baccalaureate Mass on the morning of 8 June, in the presence of the St. Michael's College graduating class of 9T2, which included his son Lawrence, and many parents of the then graduands, William Broadhurst 5T1 was invested as Honorary Fellow of the University of St. Michael's College, joining Messrs. Louis Odette and Harold Murphy as holders of that honour. Both Mr. Odette and Mr. Murphy were present for the investiture.

The Honorary Fellowship was established by the Senate of St. Michael's to recognize extraordinary personal service, financial aid, or eminence achieved such as would honour St. Michael's. Even the most abbreviated list of Bill Broadhurst's contributions to the Church, to the civic community, to his profession, to the University of Toronto, and to St. Michael's would clearly identify him as one worthy of this Honorary Fellowship.

Michael's, Bill has made major and varied contributions to educational institutions, other than the University of Toronto and St. Michael's, to cultural groups, to programmes of the Archdiocese of Toronto and of his parish, and to professional bodies in the business world. The respect in which he is held by his colleagues is signified by the post-graduate scholarship in business administration they established in his name for a graduate of St. Michael's.

Sister Mechtilde O'Mara C.S.J. 5T6 Appointed Vice- President of St. Michael's

On 1 July 1992 Sister Mechtilde O'Mara, C.S.J., Associate Professor of Classics, began a three-year appointment as Vice-President, Administration, of the University of St. Michael's College. Sister Mechtilde will be responsible for the development and evaluation of general policy covering a wide range of issues, including employment equity, campus safety and personal security, sexual harassment, and certain aspects of staff relations. She will also be involved in the co-ordination of various aspects of the construction of the Capital Campaign projects.

Sister Mechtilde will continue to teach in the Classics Department. She will also continue her recent appointment to the Editorial Board of the Collected Works of Erasmus being published by the UofT Press. Sister has served previously as a member of the Board of St. Michael's Hospital and of

the Board of St. Augustine's Seminary.

The St. Michael's alumni welcome Sister Mechtilde's appointment and wish her well in what appears to be a very busy three-year term of office!

are summed up in the conclusion of the citation read at his investiture:

"Bill Broadhurst has given generously of his time, talents, and material goods to St. Michael's College, to the University of Toronto, to his city and to his province. On this occasion, when St. Michael's marks the passage of its graduating students to a new stage in their careers, it is fitting that William Broadhurst, devoted to his Church and family, dedicated to education, to culture and to public service, and an example of professional excellence and integrity in the business world, be presented to you by the Senate of the University of St. Michael's College for investiture as University Fellow."

nevertheless is still dangerously high at two million two hundred thousand dollars.

Therefore, this year for the first time the College has not automatically followed the rate of compensation increase established by the University of Toronto and the other federated colleges, which amounted to an average increase of 6.3% in the second year of a two-year contract. In our case I decided that it would not be responsible for me to recommend this type of increase for St. Michael's.

Accordingly, I froze senior administrative compensation and held a series of five meetings with our faculty and staff who are paid directly by St. Michael's from our own funds. At these meetings, which were held throughout the month of May, I outlined the details of our finances, the progress we were beginning to make in

reducing our deficit, and our continuing dependance on the anticipated proceeds from the land sale. I am happy to report that there was a very full understanding reached with a faculty and staff who are extremely loyal to our College. As a result, an across-the-board increase of just over 2% was recommended to and passed by our Board. Other aspects of this year's budget exercise were also carried out with the explicit goal of reducing, or at least maintaining, existing spending levels.

My personal pledge to all my fellow alumni is that each and every dollar the College receives from you is, and will continue to be, carefully applied only to identified priority needs. Your support of St. Michael's really does make a significant difference to what we can do here. With it, we can look forward to our sesquicentennial in 2002 with confidence and pride.

Without it we simply could not continue.

As in the past, the spirit of the College remains strong. Faculty, staff, and administration are generously dedicated; the students continue to impress me and are enthusiastic, supportive and academically accomplished. On June 8th our largest-ever graduating class at more than 600, all in black academic gowns, filled the body of St. Basil's Church for the annual Baccalaureate Mass. Parents, family and friends stood at the back, in the vestibule, and spilled down the steps into the parking lot in front of Clover Hill. It was an inspiring sight. I wish you had been there with me to see it. You have reason to be proud of St. Michael's.

I begin my third year as President hopeful, encouraged and grateful. If you are near the campus, please drop by; you are always welcome.

Convocation Day '92

by Dennis Kivlahan 9T2

**Congratulations!
Today is your day.
You're off to Great Places!
You're off and away!**

**- Dr. Seuss
Oh, the Places
You'll Go!**

For the more than 500 graduands of St. Michael's College, June 8th was the "First Day of the Rest of Our Lives." The day began in the College quadrangle, where Assistant Registrar Donald Boere, himself a St. Mike's grad of 8T5, assembled us into pairs and led us into St. Basil's Church for the Baccalaureate Mass. The Mass was very well attended by St. Michael's graduands, family members, faculty and staff, and provided a necessary Catholic atmosphere in an increasingly secular university.

After the brief reception in the Odette Student Centre, we hurried off to rent our graduation hoods, and then joined the graduands of Innis College to be assembled (again!) for the procession to Convocation Hall. The Convocation itself began with the traditional invocation offered by St. Michael's Head Librarian and Basilian Superior, Fr. Donald Finlay. After introductory remarks by Dr. Robert Prichard, Presi-

dent of the University of Toronto, premier ballerina Veronica Tenant received an Honorary Doctor of Laws degree and gave the Convocation address. Then it was our turn! Each of us knelt before Chancellor Rose Wolfe to receive our respective BA, BSc and BCom degrees.

Following the Chancellor's "Convocatio dimissa est", and after much picture taking around King's College Circle, we made our way to the St. Michael's awards ceremony and reception in the Odette Centre. It was inspiring and a cause of pride to see so many of our classmates awarded silver or gold medals for academic excellence. The coveted Principal's Medal, awarded to the student who best rep-

resents the spirit of St. Michael's, was awarded to Michéne Urlocker, a resident of St. Joseph's College.

By 7:00 p.m. Convocation Day was over and we were the newest alumni of St. Michael's College. Some of us will now further our studies, others will enter the workforce, and still others may travel for a while. One hopes, however, that all of us will take with us not only our degrees, but also our fond memories of St. Michael's. One hopes, as well, that the contributions of the staff, faculty, alumni and Basilian Fathers are not forgotten by the class of 9T2 and that we, in our turn and in our individual ways, shall contribute to excellence in Catholic higher education for years to come.

SINCE 1987 THE GRADUATING CLASS HAS MADE A GIFT TO THE COLLEGE. THIS IS A UNIVERSITY-WIDE PROGRAMME, AND THIS YEAR'S CHAIR OF THE ENTIRE UNIVERSITY CAMPAIGN WAS ST. MICHAEL'S STUDENT KRISTA SLADE. EACH YEAR SINCE THE BEGINNING OF THE GRADITUDE PROGRAMME THE AMOUNT OF THE PLEDGED GIFT HAS INCREASED. THE 1992 GRADUATING CLASS, UNDER THE LEADERSHIP OF CAMPAIGN CO-CHAIRS MICHAEL HARRISON AND MICHELENE URLOCKER, HAS PLEDGED OVER \$40,000. THE FUNDS RAISED WILL BE USED TO INCREASE CAMPUS WHEEL-CHAIR ACCESS AND ARE MATCHED BY THE UoT STUDENTS ADMINISTRATIVE COUNCIL. CONGRATULATIONS TO THE CLASS OF 9T2 AND TO CO-CHAIRS MICHAEL HARRISON AND MICHELENE URLOCKER.

1992 Arbor Award winners

Each year the University of Toronto honours certain alumnae and alumni who have rendered long and valuable volunteer service to the University and its constituencies. The Arbor Awards, and the reception at which they are presented, are part of the University's recognition of the importance of volunteers to the carrying out of its mission. Another sign of the University's appreciation is the planting of a tree on Philosopher's Walk to honour each year's awardees.

1992 Arbor Award winners Donald McDonald, Patricia Hayward and Miriam Kelly with Alumni Director Robert Madden, C.S.B. Photo: Jewel Randolph.

Among those honoured this year were three St. Michael's graduates: Patricia Conway Hayward 6T7, Miriam Kelly 5T2, and Donald Forbes

McDonald 3T9. Taken together, their volunteer work represents over one hundred years of service to St. Michael's on its Senate, College Council, Board of Directors of the Alumni Association, and various committees. Each has participated in and contributed to the activities of the Alumni Association and to the life of the College.

Congratulations to each of them!

ALUMNI COLLEGIUM REPRESENTATIVES

The Alumni Association appoints for two-year terms two St. Michael's graduates to sit as non-voting assessor members on the Collegium, the highest governing body of the University of St. Michael's College. At its 3 June 1992 meeting, the Alumni Board, on the recommendation of its Membership and Collegium Search Committees, appointed Susan Adam Metzler 7T4 to replace Miriam Kelly 5T2, who had completed her term. Susan is a lawyer with the firm of Holden Day Wilson. Harry Hodson 7T7, Principal of St. Michael's Choir School, is the other alumni assessor member and is in the second year of his term.

Building an endowment with our friends

by Maude McCarty,
Director of Development

For all of its 140 years St. Michael's College has been blessed with a deeply rewarding relationship with its friends. Through their fellowship and practical support over many decades, the College has been able to offer an academic and moral education that has informed, and formed, the lives of generations of students.

In its beginning years, it was the benevolence of a good friend, Sir John Elmsley, that in the mid 1850s brought the College a portion of the tract of land on which the campus has since been located. In its more recent history, friends, particularly you, its graduates, have been giving generously to help ensure the continuation and quality of St. Michael's distinctive traditions. Through your contributions to the Annual Fund you support respected and unique academic programmes such as Christianity and Culture and Celtic Studies, and such student services as the Chaplaincy, the John Kelly Library, and student awards have benefited. Your gifts to the Capital Campaign will help St. Michael's expand its library facilities and provide more classroom and office space for its students and teachers now and in the future.

Today St. Michael's stands at a crossroads. Like other educational institutions, the College is now operating in an atmosphere of steadily increasing costs and dwindling government resources. Further, our Living Endowment -- the contributed services of the religious orders associated with the College -- so crucial to our operations, is being seriously eroded through retirements, the difficulty of obtaining academic appointments to the University of Toronto Departments, and fewer vocations. Confronted with this reality, the College has had a choice: accept a reduced existence or renew its forces and move forward. Buoyed by your solidarity, St. Michael's has chosen to advance.

On this new journey, one of our most important priorities is, with your help, the building of a vigorous endow-

ment that will enable us to adapt to new needs and confront future responsibilities, and carry us confidently into the future. Simply put, it is your continuing support that will determine St. Michael's strength and vitality in the coming centuries.

Although giving generously towards the College's current needs, many of you may not be aware that you can also make a unique and lasting contribution to the long-term financial health of St. Michael's through a bequest. While reducing the tax burden on your estate, a bequest to the College can provide for a wide range of fundamental aspects of student life -- scholarships, bursaries, activities and services, academic chairs and professorships, library resources, teaching aids and capital improvements. Because some needs are difficult to foresee, non-restricted bequests are particularly helpful because they give St.

Michael's the flexibility to allocate funds to areas of greatest need.

Writing a will is a deeply personal act, carried out in the context of reflection on one's values and priorities and consideration of the well-being of those who will come after us. By naming St. Michael's a beneficiary in your will, you can provide the College with long-term financial stability and strength, thus helping to minimize its dependence on less predictable forms of aid. Through a bequest you can help preserve for the benefit of future generations a way of life and an ideal that has had special meaning for you.

We hope that you will give serious consideration to remembering St. Michael's in your will. And, if you do, please tell us about it so we can thank you for that expression of your dedication to the College.

If you wish further information or would like to inform us of your bequest intentions, please send this form, to Office of Development, St. Michael's College, 81 St. Mary St., Toronto, Ont., M5S 1J4 or phone 926-7281.

ST. MICHAEL'S • PREMIUM GRAPHICS

- Professor Jill Webster, of the Department of Spanish and Portuguese, Director of the UofT's Centre for Medieval Studies and cross appointed to St. Michael's, was inducted as a Fellow of the Royal Society of Canada in Ottawa in May 1992.

- Professor Thomas Pangle, of the Department of Political Science and cross appointed to St. Michael's, was named recipient of the Robert Foster Cherry Award for Great Teachers. The award is given each year by Baylor University to two professors from anywhere in the English-speaking world, who are extraordinary teachers, have made significant contributions to the lives and careers of their students and possess records of outstanding scholarly achievements.

- On 12 December 1991 Father Petro Bilaniuk of the Faculty of Theology and the Religious Studies Department was awarded the Albert Einstein International Academy Foundation Medal for Peace.

- Professor Barry Brown of the St. Michael's Philosophy group has been elected to the Governing Council of the UofT as faculty member representing the three federated Universities (Trinity, Victoria, and St. Michael's). This is the third successive time a St. Michael's faculty member has been chosen for this position.

- On Sunday 9 February the students sponsored a Mass in St. Basil's Church to mark the 150th anniversary of the Archdiocese of Toronto. Most Reverend Pearse Lacey, D.D., Auxiliary Bishop of Toronto, was the celebrant and homilist, sharing some memories of his days on the St. Michael's campus. The Mass was followed by a reception in Brennan Lounge in the Odette Centre.

- To mark the Archdiocese of Toronto's 150th anniversary, the Division of Continuing Education presented a lecture series entitled Exploring Our Spiritual Roots: 150 Years of Living the Faith in Toronto. The five lectures were delivered in February and March by Doctor Mark McGowan, recently appointed to the St. Michael's faculty in the Christianity and Culture programme and current President of the Canadian Catholic Historical Association.

- St. Basil's College Chapel was the site of a Mass in Irish on 16 March. The Mass was part of the St. Michael's Celtic Studies programme's contribution to the civic community's celebration of St. Patrick. Celtic Studies also presented a day-long Celtic Conference on 14 March that featured a series of lectures in Carr Hall and concluded with a student *ceili* in the evening.

- Dr. John Finnis, Professor of Law and Legal Philosophy in the University of Oxford, gave the annual Gilson Lecture on 20 March in Carr Hall. Professor Finnis's lecture, entitled "Historical Consciousness and Theological Foundations," outlined some implications for ethics and theology of substituting the thought of certain contemporary philosophers for the classic metaphysical foundations of Aristotle and St. Thomas Aquinas. The lecture was followed by a spirited exchange of views.

- St. Michael's is the base of a new periodical, *Relief*, dealing with the teaching of French as a foreign language. The journal is the work of Pierre Haillet of the French Department at St. Michael's in collaboration with the University of Paris-La Sorbonne.

- The annual alumni-sponsored St. Michael's Athletic Awards Banquet was held on 22 March in the Canada Room. After a fine dinner, St. Michael's athletes, teams and coaches that had achieved success were awarded trophies, medals, school letters and special mementos of the evening. Father Harold Gardner, C.S.B. journeyed from Rochester, N.Y. to present the trophy established in his honour and President Richard Alway was on hand to present the "Coach of the Year" award to Lex Byrd, stalwart and long-time Mulock Cup football team coach. The Mulockers won the Cup in '92 and are gunning for a repeat in '93.

12th John M. Kelly Theology Lecture: Fr. Ladislav Orsy, S.J.

by Connie Price,
Faculty of Theology

On 31 March 1992, Father Ladislav Orsy, S.J. gave the twelfth John M. Kelly Theology Lecture in the Brennan Assembly Hall, sponsored by the St. Michael's Alumni Association. An internationally known theologian, ecumenist and canon lawyer, Father Orsy has had a distinguished and extensive career of studies, teaching and publication that spans over forty years and five countries. He is currently Visiting Professor at Georgetown University Law Center, and Professor Emeritus in Canon Law at the Catholic University of America in Washington D.C.

The topic of the Lecture was "The Conversion of the Churches As a Condition of Unity: A Roman Catholic Perspective." As a means of clarifying and carrying on the "movement of conversion" into which the Church entered at the Second Vatican Council, Father Orsy raised six practical questions in which he sought to examine both the historical and the present roles of the laity, of women in the Church, of the episcopal college, of the Petrine ministry, of the office of bishop, and the very structure and basis of canon law. Orsy underlined the role of theologians in this process through the raising of questions and the contribution of insights which would be both faithful to the Church's past history and open to the workings of God within it in the future.

Several questions were entertained by Father Orsy at the end of the lecture. Mrs. Marilyn Grace thanked the lecturer on behalf of the Kelly Lecture Committee and the audience. The text of Father Orsy's lecture has appeared in *America*, 30 May 1992.

The Friday evening reception was high-spirited as close to three hundred alumni and friends mingled and mixed in Brennan Lounge of the Odette Centre. The Assembly Hall of Brennan Hall was the scene of the Saturday evening dinner for the honoured years, which ranged from 217 to 617. Two hundred and seventy enjoyed a finely prepared and served roast beef dinner, and appreciated the remarks of President Richard Alway 6T2, and Principal Joseph Boyle, who brought them up to date on developments in the College and spoke of the prospects for its future. With rousing rounds of applause the diners expressed their gratitude for the work of their Class Representa-

The College chapel was overflowing for the Sunday morning Reunion Mass, at which Father Matthew Mulchay, C.S.B. 3T2 was Principal Celebrant, and Father Robert Madden, C.S.B. 5T2 was the homilist. The formal schedule of events concluded with a tasty post-Mass brunch, after which the anniversarians set off for home with memories renewed and lives enriched.

1991-92 ANNUAL FUND

DONOR ACKNOWLEDGEMENT

Over three thousand four hundred alumni and other friends contributed to the 1991-92 St. Michael's Annual Fund; this number is two hundred less than 1991-92, which reflects our economic times. As was announced earlier, the names of donors of \$100.00 and more to St. Michael's through the Annual Fund whose gifts were received between 1 May 1991 and 20 April 1992 are published in the following recognition groups: Presidents' Committee, (Benefactors, \$10,000+; Patrons, \$5,000-\$9,999; Sponsors, \$2,500-\$4,999; Members, \$1,000-\$2,499); Taddle

Creek Society, \$500-\$999; St. Michael's Society, \$250-\$499, Double Blue Society, \$100-\$249. Unlike the practice of the University of Toronto Magazine, donations to St. Michael's Capital Campaign or to other constituencies of the University are not included in these statistics. Capital Campaign donor acknowledgements will be made in the planned Capital Campaign Report. The wishes of those who notified us of their choice to remain anonymous have, to the best our ability, been respected. Donors are listed alphabetically in their class year within the recognition groups.

THE ANNUAL FUND: REPORT AND APPEAL

The 1991-92 Annual Fund drive concluded on 30 April and once again the graduates and friends of St. Michael's have given strong evidence of their commitment to the College and its mission of providing the best in Catholic higher education.

The 1991-92 gifts totaled over \$590,000, a very significant amount in hard economic times. To all who contributed to the St. Michael's 1991-92 Annual Fund drive the College says, "Thank you!" Your generosity has strengthened the spiritual, intellectual, cultural, social, and athletic programmes at the heart of the unique educational experience offered at St. Michael's.

As many of you already know, the 1992-93 Annual Fund has begun. Its goal is \$600,000, money needed in this academic year to support the chaplaincy, book purchases for the John M. Kelly Library, the College academic programmes in Celtic Studies and in Christianity and Culture, scholarships, the Writing and Computer Centres, and Continuing Education.

The students who come to St. Michael's are talented, generous young men and women who are serious about their education. They have much to offer; in the present fiscal situation the Annual Fund plays a more important role than ever in providing for them the education that will prepare them to make the best use of their talents

throughout their lives.

Please support this year's drive as generously as you can. If you wish more information about the Annual Fund, call the Alumni Office, 416-926-7260, and we shall send you material.

Some of you are aware that this year, for the first time, the University of Toronto has provided the opportunity to make an added Annual Fund gift to its Faculty of Arts and Sciences. Since those gifts will not come to the College, the receipt for them will come directly from the University of Toronto, not from St. Michael's.

Again, thank you for your generosity; please continue to help St. Michael's maintain and enhance the tradition of excellence that makes you proud to be its graduate.

Tax and will planning seminar for graduates and friends of St. Michael's

St. Michael's College will offer a tax and will planning seminar for its graduates and friends. The presenters, both St. Michael's alumni, will offer suggestions as to how to use, increase, and protect your assets to your best advantage. Maureen Pappin 6T8, Tax Partner with Deloitte & Touche, will speak about tax planning in the '90s. Mrs. Pappin has lectured and published extensively on tax and retirement planning issues for professional and business associations, and is a regular speaker on tax implications of federal budgets at meetings organized by Members of Parliament. Sean Foran 8T2, who practices estate and trust law with Morris/Rose/Ledgett, will talk about the use of wills and trusts in estate planning. The seminar will be held on Thursday 12 November at 7:30 p.m. in Alumni Hall (121 St. Joseph Street near Queen's Park Crescent East), Room 400. Limited parking is available, for a small fee, in the St. Basil's Church lot; the nearest subway station is Museum. There is no charge for the seminar, but registration is required. Space is limited, so enrol early! You may register in three ways:

1. Mail: complete and mail the registration form to: Office of Development, St. Michael's College, 121 St. Joseph Street, Toronto, Ontario, M5S 1J4
2. Fax: fax the registration form to us at (416) 926-7276
3. Phone: call us at (416) 926-7281.

We look forward to seeing you there!

Father Bryan Hehir to give 1993 Kelly Theological Lecture

The 1993 John Kelly Theological Lecture will be given on 2 February by Father Brian Hehir of Georgetown University, Washington, D.C. The lecture will be at 8:00 P.M. in the Assembly Hall of Brennan Hall.

A priest of the Archdiocese of Boston, Father Hehir is Associate Vice-President for Church, Society and the University, of Georgetown University, and Research Professor of Ethics and International Politics there.

An internationally respected authority on Catholic teachings on justice, Father Hehir holds the position of Councillor for Social Policy with the Conference of Catholic Bishops of the United States, has served on Vatican Delegations to the UN and as advisor at the Synods of Bishops in Rome and received honorary degrees from twenty-three colleges and universities. His lecture will consider the adequacy of Church teachings on justice for the new setting of international relations.

Father Hehir's reputation as scholar, consultant, author and speaker is strong assurance that his lecture will be a challenging and informative experience.

Micheline Urlocker awarded 1992 Principal's Medal

The Principal's Medal was established in 1978 by the family of former St. Michael's College Principal and Professor of Philosophy Lawrence Lynch to commemorate his dedication to undergraduate education at St. Michael's and the University of Toronto. It honours the member of the graduating class whose life and involvement exemplify the College's spirit and ethos.

The 1992 Principal's medalist is Micheline Urlocker. In awarding the medal at the Convocation-day awards ceremony in Brennan Lounge, Principal Joseph Boyle noted that Micheline graduated with distinction, in itself an admirable accomplishment, and over her four years at St. Michael's contributed significantly to the life of the College. She was a member of the Varsity curling team, of the women's championship intermural soccer team, and also played intermural basketball, hockey and football. As well, she was deeply involved in the religious and social life of the College, serving as member and coordinator of the stu-

dent liturgical choir, working with the Chaplaincy team, organizing and participating in College social events and residence activities, and in her final year co-chairing the 1992 graduating-student gift programme which resulted in pledges of \$40,000 to be used to increase campus wheel-chair access.

Micheline plans to be a teacher, and to this end is at present in the Master of Education degree programme at Niagara University.

Lincoln Center, Mozart and the UofT

The University of Toronto's Chamber Orchestra and Chorus were invited to be part of the Lincoln Center's year-long Mozart bi-centennial celebration programme. On the night of 20 February some thirty St. Michael's alumni and alumnae joined over one hundred other graduates of the University for a pre-concert reception at the offices of the Canadian Consulate on the Avenue of the Americas. From there they proceeded by buses to the

Alice Tully Hall in Lincoln Center.

The performance was received with enthusiasm by an audience of over five hundred. The musicians and singers, all undergraduates, deserved the standing ovation they received at the end of the concert. The University representatives present, including President Robert Prichard, along with the alumni and alumnae had every right to be proud of the chorus and orchestra.

ATTENTION FORMER STUDENTS OF FRENCH

I am looking for anecdotes about your former French professors for a history of the Department of French at the University of Toronto, specifically at St. Michael's College. Five chapters are planned: 1852-1906; 1906-1920; 1920-1960; 1960-1975; 1975-present. Each of these will deal with the teaching of French within the College. For the early chapters, I will have to rely, of necessity, on archival material. For the later ones, I would appreciate hearing from anyone, either in writing or by telephone, who would like to share his or her recollections of particular professors and of their teaching methods.

R.S.V.P. Mariel O'Neill-Karch, Department of French, St. Michael's College. 926-1300, ext.3253.

young ALUMNI activities

The Young Alumni Committee has set dates for three special events in 1992-93. The first event is the Santa Claus parade party on Sunday 15 November. Alumni of every age, and their children of every age are invited to begin the day with Mass with the students at 11:00 A.M. in the College Chapel, then enjoy coffee, hot chocolate, juice, donuts and cookies in Brennan Lounge with a possible pre-parade visit from Santa Claus. We shall take up special places along Queen's Park to enjoy the parade. The facilities of Brennan Lounge will remain open during the afternoon. Join in all or any of the stages of this day.

The fourth annual "READING WEEK REVISITED PUB" will be on Saturday 13 February from 9:00 P.M. to 1:00 A.M. in the Coop. Come and dance to "your" music, get back in touch with school friends, meet new people, and rejoice that you do not have to write essays during the following week!

The annual Blue Jay outing to the Dome will be on the weekend of the first 1993 Blue Jay April home stand. Tickets will be in the \$17.00 range, but we have to wait for specific information from the Blue Jay office about the 1993 prices and schedule.

Inform any St. Michael's grads you know of these events and urge them to join in. If they know you will be there, they will!

For further information about the Young Alumni Committee and its work, please call the Alumni Office, 926-7260.
